## WELCOME AND WHO WE ARE

On behalf of Pastor Tyrone, Lady J, and the New Oak Grove Missionary Baptist Church family we welcome you! New Oak Grove is a body of baptized believers who love the Lord Jesus Christ. Our God has been faithful to this branch of Zion and we marvel in the wondrous and mighty works that He has, and continues to bestow upon us. We come together to worship the only true and living God in the beautiful and picturesque Blackwater section of southern Virginia Beach, VA. We are delighted that you were led to worship with us. It is truly our honor and privilege to have you here with us. If there

is anything that we can do to make your stay with us a more pleasurable one, please feel ask for assistance from an Usher or the person sitting next to you. Thank you for worshipping with us and we pray that something will be said or done to make your day the better!

In Honor of Missions  
**The Miracle of Giving**  
 By D. A. Powell

Twice Christ took the bread apart with his human hands that he used for such tasks, once with fish and once with wine, the grain a pattern of tribute, distribute, as he worked the division of himself into feeding others with his body, taken but not taken, there but not there, it was two times two times two. Everybody got some body who will feed them even when there seem hardly enough to go round. When I hungered the word fed me. Even so, so many others hungered he needed a hundred more human hands. That was when I said here take mine.

**IMPORTANCE & RELEVANCE of WOMEN'S HISTORY MONTH**

In this pivotal moment of history, we are called to confront a range of overlapping global challenges: climate change, economic insecurity, healthcare disparities, and threats to democratic participation. These issues are deeply intertwined – and women, particularly from marginalized communities, often experience their impacts most acutely. Yet women have also led the charge toward lasting solutions.

**“Leading the Change: Women Shaping a Sustainable Future”** expands our understanding of sustainability beyond just environmental concerns. It encompasses financial sustainability, community resilience, leadership succession, and intergenerational equity. Whether developing green technologies, advancing economic justice, strengthening education systems, or building civic power – women are designing blueprints for sustainable transformation. This theme affirms that shaping a sustainable future means fostering systems that support both people and the planet.

**GOALS & OBJECTIVES Honor:** Celebrate the diverse contributions of women who are leading sustainability efforts across environmental, economic, educational, and social justice movements.

**Educate:** Raise awareness about the important historical and contemporary roles of women in shaping sustainable change. **Inspire:** Empower individuals and institutions on how to take action toward sustainability, equity, and justice in their own spheres of influence. **Connect:** Build bridges across generations, geographies, and disciplines to foster collaboration, mentorship, and shared learning. **Envision:** Encourage a long-term vision for our future where women’s leadership is central to thriving communities and a healthy planet.
